

Clinical Professionals Values

- QUALITY
- INNOVATION
- COURAGE

Client Charter

Clinical Professionals commit to the following minimum standards:

-
- The highest ethical standards – honest and open at all times
-
- Only register candidates who we are confident meet our clients needs
-
- Meet face to face to understand our customers business
-
- Interview all candidates before they are submitted
-
- With every CV the client will receive a candidate competency report and a comprehensive interview summary
-
- If we do not have the right calibre of candidate inform our customers within 24 hours and agree a mutually acceptable action plan
-
- Schedule quarterly review meetings to review performance
-
- Work with a small number of customers in partnership
-

Candidate Charter

Clinical Professionals commit to the following minimum standards:

-
- Listen to your needs
-
- Work with consultants with industry experience
-
- Formulate a career development plan
-
- Work together only if we feel we can help you to the next level of your career
-
- Proactively approach organisations who would match your clinical experience and career aspirations
-
- Objective CV feedback
-
- Seek meaningful feedback from every interview
-
- Gather independent feedback from on your experience working with us following the end of the recruitment process
-
- Treat you as an individual
-
